

PROBLEM SET 3

Dillon Beake

February 10, 2024

Abstract

Your abstract.

1 Introduction

Information I obtained from the Shell Command I created in RStudio

2 Details of the CSV File

2.1 Size of the CSV File

1. Once uncompressed, the CSV file was 5MB

2.2 Number of Lines before end-of-line conversion

2. I got 0 lines but I think the correct answer is supposed to be 1 line

2.3 Number of Lines after the end-of-line conversion

3. 36634 Lines
